Memorandum No. 47518 RW (V)/50-8. Dated the 28th Nov. 1950.

Sub: BUDGET - 1951-52 - XXXVI Miscellaneous - Miscellaneous Receipts on account of temples and other charitable institutions in merged areas.

Ref: From the Board of Revenue, No. W. 9042/50 dated 17-11-1950.

With reference to the budget estimates for 1951-52 under the following head in respect of the merged areas in this State, only the Collector or Tiruchirapalli has reported that the probable receipts for the financial year on account of temples and other charitable institutions in the merged area of Pudukkottai will be Rs. 23,000/- :—

"XXXVI Miscellaneous - Miscellaneous receipts on account of temples and other charitable institutions in the merged areas"

But the approximate provision that will be required under the above head in the Budget for 1951-52 during the next year has not been furnished nor have any figures been furnished in respect of the Revised estimate for the current year. The attention of the Board of Revenue is invited in this Connection to the orders in G.O.No.574, F.D. dated 28-6-50 in which an allotment of Rs. 1,63,656/- has been sanctioned for 1950-'51 for the maintenance of religious and charitable institutions in Pudukkottai State at the instance of the Board.

2. The President, H.R.E. Board has stated that, if the Sub-Collector, Pudukkottai is appointed as the 'Fit person' for the management of the temples in the erstwhile Pudukkottai State, additional funds will be required to meet the charges on account of the special establishment of the 'Fit person' and contribution and audit fees due to the H.R.E. Board. The attention of the Board of Revenue is invited in this connection to the correspondence resting with its reference W. 6721-50-3 dated 28-8-1950 on the subject and it is requested to state what additional amount will be necessary in this behalf both in the current and in the next financial year. (1951-52)

3. As regards the erstwhile Sandur State, it is observed that according to para 5 of the collateralletter dated 1-4-1949 from the Government of India Ministry of States to the Ruler of Sandur, the Ruler is entitled to an annual lumsum grant of Rs. 36,000/- for the management of six temples and other institutions. It has been suggested that necessary provision may be made in the budget in this behalf. The Board of Revenue is requested to take this amount also into consideration in the proposals for budget estimates for 1951-52.

4. The Board is requested to take into consideration the amounts required with reference to the points mentioned in para 1-3 above and submit consolidated proposals in respect of both Revised Estimate for 1950-51 and Budget Estimate for 1951-52, in consultation with the President, H.R.E. Board.

5. The reference should be treated as specially urgent and a reply sent not later than 5-12-1950.

Letter No. 152156/50-2 Adm dated 13-2-1951 from Sri T.M.Chinniya Pillai, M.A.B.L., President, Hindu Religious Endowments Board, Madras to The Secretary to the Government of Madras, Rural Welfare Department, Fort St. George, Madras.

Sub: Budget - 1951-52 XXXVI - Miscellaneous receipts on account - of temple and other charitable Institutions in merged areas - Pudukottai Division - Tiruchirapalli District - Report.

Ref: 1. Government Memo No. 47518-R.W. (V)/50-1 dated 28-11-50
2. From the Board of Revenue, Madras, Ref. W. 10202/50-5 dated 16-1-1951.

In forwarding herewith the budget estimates for the year 1951-1952 submitted by the Board of Revenue, Madras. I am to state that the Board understands that the extent of the endowed lands annexed by the erst while Pudukottai State Government was about 40% of the total extent of the lands of the said State in or about the year 1924 and on this basis the allotment to the religious and charitable endowments ought reasonably to be 40% of the total general land revenue. I have already in my letter No. 83658/49-25 Adm dated 28-8-1950 addressed the Government about the necessity for making provision for the following items also.

1. Salaries and allowances of the supervision staff that will take the place of the devasthanam superintendent and his staff.
2. Payment of contribution and audit fees amounting to 4½% of the incomes of the respective temples payable to this Board.
3. Cost of repairs, renovation in the said temples and
4. Law charges and miscellaneous items of expenditure incidential to the administration.

As regards payment of D.A. to the Devasthanam staff at Provincial rate for which a provision of Rs. 39,312/- is made in the budget; I am to state that I have already submitted remarks on this question in my letter No. 92265/50-3 Adm dated 12-12-1950 subject to the above remarks, I suggest that the budget estimate as submitted by the Board of Revenue may be sanctioned for the present.

Yours Faithfully,

Copy of letter Rc. D6-28503/50 dated 9-12-50 from the Sub Collector, Pudukottai to the Collector, Tiruchirapalli.

Sub: Budget - 1951-52 - Temples and other charitable institutions in merged areas - Pudukottai division.

Your Rc. S1-475/50 d/8-12-50.

I submit herewith a statement showing the details of the sum required for the temples and other charitable institutions of the defunct Pudukottai State for the year 1951-52.

2. According to these details a sum of Rs. 2,59,000/- will be required for the expenditure in 1951-52 as against Rs. 1,63,656/- sanctioned for the year 1950-51 in G.O.Ms. 574 Firka Development dated 28-6-50. The main heads of expenditure are noted below:-

(a) Padittaram dittam (cost of articles required for use in several institutions) and the temple establishment charges according to the barabarth that has been in force for a long time past in respect of institutions lying both within and outside this division Rs. 1,58,883/-

N.B. This includes the sum of Rs. 1,500/- usually sanctioned each year for the purchase of vessels, clothes etc. and for Sunday expenses.

(b) Sales tax.	1,200/-
(c) Additional D.A. to temple servants if Provincial rate of D.A. is sanctioned for the period 1-1-49 to 31-3-52.	58,968/-
(d) Contribution to the H.R.E. Board at 3% on the total expenditure of each institution.	7,440/-
(e) Audit fees at 1½% for institutions having an expenditure of over Rs. 1,000/- a year.	3,351/-
(f) Charges for supervision, office establishment etc.	13,000/-
(g) Lump sum provision for repairs to temple building etc.	16,000/-
	2,58,842/- or 2,59,000/-

3. The amount budgetted for the year 51-52 in excess of the amounts sanctioned for the current year 50-51 by Rs. 95,186 because of the additional items (c) to (g) above. The question of paying the temple servants D.A. at Provincial rates from 1-1-49 has been pending and provision has been made in item (c) above for the difference of D.A. between the Provincial and State rates for the 39 months from 1-1-49 to 31-3-52. Items (d) and (e) above were not thought of while framing the budget for the year 50-51. Item (f) has been hitherto debited to 25 General Administration. This comprises the pay of one Devastanam Supdt. in the scale of pay of a Dy. Tahsildar, one Head clerk in the scale of pay of an upper division clerk six lower division clerks and three peons, the T.A. charges, and the probable amount required for stationery, postage, rents of office buildings and other contingencies. There three items have now been included in the budget for 51-52 in view of the instructions conveyed in para 2 of the Govt. Memo. No.47518 R.M. (V)50-8

P.T.O.

dated 28-11-50 communicated to me in your reference d/5-12-50 above. No provision has hitherto been made for repairs to the buildings of these institutions ever since the date of merger and works are therefore held up where they are not very urgent. To maintain the institutions in a fit condition, provision should necessarily be made for this. So item (g) is also included in the budget in which provision is also made for the renewal of the Swami's car at Tirugokarnam. I request that a lump sum of Rs. 2,59,000/- may kindly be sanctioned accordingly for the year 51-52.

Submitted in reply to your L.Dis. 15549/50 dated 2-9-50.

4. Coming to the revised budget for 50-51, I invite your reference to my letter L.Dis. 20515/50 d/19-11-50 and d/18-8-50 and L.Dis. 19022/50 dated 2-9-50. I have stated therein that I am not applying for additional funds over and above the sanctioned budget allotment of Rs. 1,63,655/- as on existing commitments no further funds will be necessary. But, in view of the instructions conveyed in Govt. Memo. d/28-11-50 cited above, the expenditure covered by items (d) and (e) is to be incurred for the current financial year also and is to be paid from the allotment for these institutions. I submit that the following revised allotment must be provided for in the revised budget for 50-51.

(a) Paditteran dittam and temple establishment charges.	Rs. 1,58,883/-
(b) Sale tax.	1,200/-
(c) Additional D.A. not included here since it has not been sanctioned so far at Provincial rates.	
(d) Contribution to the H.R.E.Board.	5,131/-
(e) Audit fees.	2,226/-
(f) Charges for supervision and office establishment etc.	13,000/-
(g) Repairs to temple buildings.	2,000/-
	1,82,440/-

A sum of Rs. 1,63,656/- has already been sanctioned in the Budget Estimate. So an additional allotment of Rs. 18,784 may be provided for in the revised estimate.

5. If there is any prospect of the temple servants getting the arrear D.A. from 1-1-49 in this financial year itslef at the Provincial rates, a sum of Rs. 39,312/- may be provided for it also in the revised budget against (c) in para 4. In that case provision has also to be made for the contribution of Rs. 1179/- and the audit fees of Rs. 589-8-0 payable to the H.R.E. Board on account of this additional expenditure in the revised estimate for 50-51 with a corresponding reduction of the allotment applied for boave in the budget estimate for 51-52.

2. The report of the Board of Revenue has not yet been received. An approximate lumpsum amount may perhpas be provided in the B.E. for 1951-52, pending the receipt of the Estimates from Board of Rev. D. dated 28-6-1950, the Govt. sanctioned an allotment not exceeding Rs. 1,63,656/- for the maintenance of religious and Charitable institutions and Pararashtram Kattalais in Pudukkottai for the year 1950-51. This sum may be provided in the B.E. 1951-52 and R.E. 1950-51, tentatively.

In this connection, it may be pointed out that the Government manage all the temple lands and in lieu of which the Ruler is given Rs. 56,000/- per annum for their maintenance. The Collector of Bellary will no doubt furnish necessary estimates in this regard. The proposal at 'M' on p.1 ante may be agreed to.

Rural Welfare Deptt.(v)

Finance have taken credit for a sum of Rs. 12,000/- under the head "Miscellaneous Receipts on account of temples and other charitable institutions under Merged areas" in respect of both R.E. 1950-'51 and B.E. 1951-'52 with reference to the actuals of the first four months of the current year. The Board of Revenue in consultation with the Collector, of Tiruchirapalli, Bellary and Kurnool has reported separately that the probable receipts under the above head the above head during 1951-'52 in respect of the merged State of Pudukkottai may be taken as Rs. 23,000/- based on the figures for the year 1949-'50 and that in respect of the other merged States of Sandur and Banganapalle the receipts are nil. But not details regarding the nature of the receipts have been furnished. As regards B.E. for 1951-'52, Finance may be requested to adopt the figures now furnished by the Board viz Rs. 23,000/- under receipts under the head referred to above. As regards R.E. for 1950-'51, there seems to be, however, no objection to the provision suggested by the Funance being allowed to stand.

2. With reference to the suggestion of Finance at 'K' on p.25 c.f., it seems advisable to show the receipts separately, otherwise it will be difficult to find out the exact amount provided for the religious and charitable institutions in the merged areas under the head in question.

3. So far as the provision of funds for R.E. for 1950-'51 and B.E. for 1951-'52 under the head "XXXVI Misc. etc. is concerned the Board of Revenue was asked to submit necessary proposals. In spite of repeated reminders, the Board has not yet submitted its final report. This Deptt. has already suggested that an approximate lumpsum provision of Rs. 1,99,656 may be made tentatively under the above head for the maintenance of religious and charitable institutions in Pudukkottai and Sandur for 1951-'52

P.T.O.

and the amount already provided for in the R.E. 1950-'51 being allowed to stand. This provision is inclusive of a sum of Rs. 36,000/- payable to the ruler of Sandur towards the management of six temples and institutions in Sandur State. In respect of Pudukkottai State a sum of Rs. 1,63,656 may be provided in the B.E. 1951-'52 and R.E. 1950-'51 as suggested at 'H' on p.1. ante. No provision need be made at present for the purpose referred to in para 2 of the Memo at p.15 c.f. as no final decision has yet been arrived at on the question in respect of Sandur State, a sum of Rs. 36,000/- in the R.E. 1950-'51 and B.E. 1951-'52 may be provided as suggested at 'K' on p.2 ante. No provision need be made in respect of Banganapalle State. Finance may be requested to provide a total sum of Rs. 1,63,656 plus Rs. 36,000/- = Rs. 1,99,656/- in the B.E. for 1951-'52 and allow the existing provision under R.E. 1950-'51 to stand.

* Figures not yet received from the Board of Revenue.

3. The following remarks seem called for:

(1) Receipts : R.E. 50-51.

The receipts shown under Col. (4) above are based on the col. 3 data and include the figure of Pudukkottai and the first 5 months' actuals of this current year. The total under Col. (4). No special remarks.

Variation with amount under

Receipts : B.E. 51-52:

Provisionally, the Board of Revenue did not suggest any receipts in respect of Sandur. It is now stated that the sum of Rs. 12,000/- shown under Col. (5) of the table on prepage represents the lease amount derived from taluk lands and is to be credited to "XXXVI Misc." . The amount suggested by Fin. does not take into account this sum. The receipts under B.E. for 51-52 may take credits for an additional sum of Rs 12,000/-

Expenditure: RE. 50-51.

The provision made under Col. (1) represents the lumpsum grant of Rs 50,000/- payable to the Sandur Ruler for the maintenance of six temples in the merged area, and a sum of Rs 400/- payable to Govt. towards the cesses on temple lands during the current year. The provision made under Col. (8)

P.T.O.

takes into account only the lumpsum grant of Rs. 36,000/-. Hence, the additional sum of Rs. 400/- has to be provided in respect of Sandur.

As regards Pudukottai, it is stated that on allotment of Rs 1,62,400/- will be required for expenditure on the items (a) to (g) mentioned in para 4 of the letter of the Sub-Collector Pudukottai at p 47 cf. of these items, (d), (e), (f) are new items and the expenditure on these items has to be incurred in the current year, only in case it is decided that the Sub-Collr. Pudukottai should be appointed as the 'Fit person' for the management of the temples in the erstwhile Pudukottai State. No final decision has yet been taken on this question, and it does not seem necessary to provide for this expenditure in the current year. Then, there is another question regarding grant of a d.a. at Provincial rates to the employees of the Devasthanam depts. in Pudukottai. Please see para 5 of the letter at p 47 cf. In that connection, the Board of Revenue suggested that the matter can be investigated in a detailed manner with reference to the service conditions of the employees. No provision on this account also seems necessary in the RE for 50-51. If it is found necessary to provide additional amount in the current year necessary action will be taken to obtain additional funds in due course. Excluding the items (d), (e), (f) mentioned in para 4 of the letter at p 47 cf, a sum of Rs. 1,62,085/- will be required for the other items as against the existing provision of Rs. 1,63,700/-.

The additional amount required for Sandur (Rs 400/-) in the current year can be met out of the surplus of Rs. 1,617/- No additional provision need be made in the current year.

Expenditure : BE 51-52:

The Board of Revenue has proposed a provision of Rs 36,600/- under BE for 51-52 in respect of Sandur - vide Col (9) of the tabular statement at p.5 ante. The provision made under Col (10) provides for only the annual lumpsum grant of Rs 36,000/- to the Ruler of Sandur. An additional amount of Rs 500/- on

Contd....7...

account of cesses on temple lands payable to Govt. will be required in the next year.

As regards Pudukottai, the account budgeted for the next financial year falls short of the amount proposed by the Bd. of Rev. A sum of Rs 1,65,700/- is provided for as against the amount of Rs 2,59,000/- proposed by the Bd. of Rev. The reasons for the excess provision an explained in para 3 of the letter of the Sub. Collr. at pp 46-47 cf. As stated above, the question of grant of D.A. to temple servatns and the question of appointment of a 'Fit person' have not yet been settled. It is for consideration whether provision may be made as suggested by the Bd. If so, an additional provision of Rs. 95,300/- has to be made under BE for 51-52.

So, the total additional provision required will be Rs. 95,800/-, including the sum of Rs. 500/- for Sandur referred to above.

4. Fin may be requested -

(1) to take credit for an additional amount of Rs 12,000/- in receipts under BE for 51-52 and

(2) to increase the provision for expenditure under BE for 51-52 by Rs 95,800/-

5. A draft communicating the provision made in the GBE to the Bd. of Rev. is submitted below for approval. Alterations, if any, with roferrence to the above proposals may be communicated later. After issue of the draft, the file may be sent to Fin. Deptt.
